## REPORT OF THE SELECTMEN

In the early summer of 1992 a group of dedicated volunteers constructed a recycling building for the Town. The building has a swap shop, also efficiently maintained by volunteers, where you can take items you no longer use or need so other people can put those items to good use. We urge everyone to use this part of the facility to take recycling an extra step beyond the original concept.

It is with considerable pleasure that this Board can report that mandatory recycling, which took effect on September 1, 1992, reduced the 1993 solid waste disposal budget by \$88,139.00. The savings was accomplished while absorbing a 10% increase in tipping fees paid to the Town of Winchendon. We urge you to support Warrant Article 11 which will allow for the purchase of a glass crusher. When the glass crusher is operational, the recycling center will accept all glass without requiring sorting. The glass will then be crushed and used as an additive to aggregate used by our Highway Department on their road projects. The resulting savings are twofold, we don't have to pay to landfill the glass, and the crushed product will reduce the amount of material purchased for road projects.

In 1989 the Town of Rindge was required to revalue its real estate. That revaluation resulted in over 600 requests for abatements of property taxes and two legal suits. All of those problems have been settled and the all inclusive revaluation process cost our town in excess of \$200,000.00. Warrant Article 17 was passed at the 1992 Town Meeting. That provided for the orderly revaluation of our town over a four-year period at an annual cost of \$10,000.00. We believe strongly in the fiscal responsibility of this process and the net cash savings over the next 16 years could approximate \$650,000.00. Please continue to support this common sense approach to solving the age-old problem of market value versus appraised value.

The Board hired Arthur Quebec on April 30, 1992 as the Town's Code Enforcement Officer. We are very pleased with the professionalism Arthur has brought to the position. If you are involved with construction that is regulated by the building code, we believe you will be treated fairly and equitably.

We would like to take this opportunity to thank the Town Officers, Board and Committee members, Town Counsel, volunteers, and last but not least the Town employees. It is their continued dedication that improves our quality of life and makes Rindge a better place to live.

We endorse and request that every voter in Rindge give serious consideration to and vote for the Town Manager form of Government for our community. There is a very real and serious need for an individual trained in municipal management to assume

the day to day administration of our town. The old days when a retired individual could spend several hours a week and adequately perform the Selectman's duties is long past. Our local government functions in an environment which becomes more complicated daily by new federal and state regulations. A Town Manager would be a savings, not an expense, in the long run.

At the present time, there is a lot of activity in the area of commercial business expansion in Rindge. This Board strongly supports an orderly expansion. It is necessary to achieve a balance of commercial and residential real estate in our tax base. The homeowner can no longer solely support the cost of local government. If a portion of our budget is not supported by new commercial growth, then homeowners will start to lose their homes from the resultant crush of the tax burden.

SELECTMEN OF RINDGE, NH

# REPORT OF THE AUDITORS

January 24, 1992

Board of Selectmen  
Town of Rindge  
Rindge, N.H. 03461

We have audited the accompanying general purpose financial statements of the Town of Rindge, N.H., as of December 31, 1991 and for the year then ended. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of Rindge, N.H., as of December 31, 1991 and the results of its operations and the cash flows of its proprietary and similar trust fund types for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying combining and individual fund financial statements listed as supporting schedules in the table of contents are presented for purposes of additional analysis and are not required part of the general purpose financial statements of the Town of Rindge, N.H.. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

## COMMENTS & SUGGESTIONS

### A. TAX LIENS

Finding- We noted that the Tax Collector had not provided the Town timely with an affidavit of the execution of the tax lien.

Recommendation - The Tax Collector should provide the affidavit to be in compliance with RSA 80:61.

Management's Comments - The Tax Collector does provide the Board of Selectmen with timely information relative to the execution of the tax liens. The amount of the lien covered by the town is provided in writing, in order to receive payment to clear the accounts.

By mutual agreement, not in writing, the actual printed copy of the execution of the lien remains on file in the Tax Collector's office.

All provisions are in accordance with RSA 80:61.

### B. TAXES RECEIVABLE

General - Overall, we found that the Town's computer and accounting records have again continued to improve over those of previous years. We commend the Town and its employees for the work they have done over the past year to improve the Town's accounting system and also for their willingness to listen to and adopt recommended changes.

Finding - Tax warrants, added tax warrants and all abatements approved by the Selectmen (excluding those that result in an actual refund check) were not posted on the general ledger.

Recommendation - The Town should consider posting tax warrants, added tax warrants, and abatements (excluding those that generate an actual refund check) as well as tax deeded property to the general ledger as soon as the items are authorized by the Selectmen. This would provide the Selectmen with a more accurate picture of the actual status of the Town's financial accounts during the year.

Management's Comments - A meeting was held on January 24, 1992, at the Town Offices between the Audit Manager and a member of the Board of Selectmen, in which we agreed to post all tax warrants, tax deeded property transactions and paper abatements to the general ledger as soon as they were authorized by the Board of Selectmen.

In 1991 we started the process by posting all abatements authorized by the Board of Selectmen to the general ledger.

## **REPORT OF THE BUDGET COMMITTEE 1993**

The Budget Committee is in general agreement with the proposed 1993 Budget and the monied Warrant Articles. The proposed Expenditures in the Budget provide a DECREASE of \$821. from the 1992 Budget. This decrease is the result of the majority of Rindge citizens who voted for and have worked diligently to make the mandatory recycling work. Our utmost thanks to those who have acted responsibly in this regard.

The savings on the interest on TAN's coupled with the savings on Solid Waste Disposal provide the decrease of \$110,000 from 1992.

The major increases were:

### **TOWN BUILDINGS:**

Contracted Repairs represent more than the \$7,640 increase. According to the Selectmen, this is a combination of one-time expenses to replace the Town's fuel oil tanks, provide cover for it, and install carpeting in part of the Town Offices.

### **POLICE:**

The largest portion of their \$21,427 (9%) increase is from the replacement of their fuel oil tank and cover, a 3% cost of living increase and the related benefits, witness fees and the benefits for the Animal Control Officer. The salary portion has been transferred to the Highway Department.

### **FIRE:**

The \$11,454 (17%) increase is primarily reflected in the increase of the number of fire fighters from a low of 18 to the present 29. These costs represent the training and new equipment required.

### **HIGHWAY:**

The \$14,185 (7%) increase is associated with the 3% cost of living increase, benefits related thereto and the General Equipment Repair. This is a difficult task to forecast the actual needs of Payroll as winter storms are unpredictable as to number, severity, and time of arrival (ie. weekends, etc).

### **PRINCIPAL, LONG TERM DEBT:**

The \$17,436 represents our payment on the purchase of the new Police Station due this year. Previous payments were withdrawn from Capital Reserves. We agree that this is the proper method of accounting for this expenditure.

### **CAPITAL RESERVES:**

These represent a \$25,000 increase for the Fire Department and \$10,000 for Revaluation.

### **GENERAL COMMENTS:**

Salary increases were proposed at, or under, the 3% limit set by the Selectmen. This is important because increases to Payrolls also increase the cost of benefit packages provided, ie. FICA, Insurance, etc.

Requests from Department heads were well thought out, reasonable in cost and appear appropriate.

Representatives of the Budget Committee were in attendance at all presentation sessions to the Selectmen. Some times were quite inconvenient, but at least 2 members were in attendance.

There are numerous arguments, pro and con, on "One Time Expenses" being included in the general expenditure areas, these should be carefully reviewed in subsequent years to insure that they are, in fact, one time expenditures.

Budget development formats have become much more understandable and trackable for most line items. We encourage the Selectmen to continue to refine and develop concise reporting/budgeting reports.

## REPORT OF THE RINDGE PLANNING BOARD

The Planning Board entered the year 1992 prepared budget-wise for decreased construction activities because of the general economic downturn. The Board met only nineteen times (as compared to thirty-nine meetings in 1991), conducted five site visits, held two zoning hearings, arranged numerous committee meetings, and assigned members to attend Board of Adjustment meetings. The Board has also reduced its Planning Assistance contract with the SW Regional Planning Commission by designating its Secretary, Sharon Doherty as an Assistant with responsibility for preparing advance reviews of applications.

Public hearings were held on fourteen applications: five technical subdivisions with four approved and one withdrawn; five minor subdivisions, four approved and one withdrawn; three minor site plan applications, all approved; and one excavation hearing, approved. The approved subdivisions created thirteen new lots.

The Board accepted the recommendations of a committee representing five town boards and departments regarding underground storage tanks (UST's). The Board proposes a zoning ordinance amendment which will require that all new UST's which are exempt from state regulation be installed in a vault. Furthermore, the Board recommends adoption of a bylaw requiring registration of all exempt UST's and testing of exempt UST's located in the Aquifer Protection District.

Other proposed ordinance amendments include changes to the Sign Ordinance which were prepared following two public hearings and a mail survey of 100 residents which showed that there is generally, overall satisfaction with the existing ordinance. The proposed amendments allow a greater variety of signs not requiring a permit and allow the Board of Adjustment to issue a sign permit by Special Exception for a sign greater than the maximum normally allowed (up to 160 sq. ft.) based on a formula involving the size and frontage of the building and other factors, such as speed limit and distance to the centerline of the highway.

Two three-year terms on the Board were filled in the 1992 elections by the re-election of Bliss Ames and the election of Robb Anderson who had been serving as an Alternate. The vacancy created by the resignation of Joseph Gosling was filled by the Board's appointment of Alternate, John Vorfeld.

The Board wishes to thank all the residents who proffered their advice and assistance in the hearings and studies conducted during the year. Signs of a gradual improvement in the economic picture, bolstered by an application submitted late in 1992 on behalf of a "major retail establishment", signal increased town planning activities during 1993.

## REPORT OF THE RECREATION DEPARTMENT

In 1992 the Recreation Department extended it's public office hours; we are now open Monday, Tuesday and Wednesday from 9:00 AM to 3:00 PM and on Thursday from 9:00 AM to 1:00 PM. We hope that these increased hours will serve as an added convenience for our community members.

After many years and much deliberation a new organization supporting youth athletics was formed in 1992. Comprised of concerned parents and dedicated individuals, the Rindge Youth Athletic Organization will now oversee our youth baseball and softball programs including the establishment of program policies and procedures. Funds raised through tax dollars however, will provide a considerable financial contribution towards these youth programs in order to help ensure and maintain proper insurance coverage, uniforms and safety equipment. The best of luck to the organization---anyone wishing to become involved in any capacity may contact the Recreation office for more information.

One of the department's primary objectives for the 1993 year is the installation of lights at our baseball field at Wellington Park. Our situation is thus: we now have a total of nine youth baseball and softball teams for children ages 9-12 and an additional six teams for children ages 6-8. Unfortunately we have only one regulation size ballfield in town. Consequently we are facing a dire situation--either we extend the usage time of our one existing field by installing lights or we run the very real risk of limiting the number of children who wish to participate in these programs. I appeal to the people of Rindge for help in preventing this from occurring by asking your support by voting in favor of the warrant article requesting funds for these lights. To date, in support of this warrant article, the Rindge Athletic Men's Social Club (RAMS) has very generously pledged a donation of \$2500.00. The Recreation Department greatly appreciates the RAMS' overwhelming support and is hopeful that lighting at Wellington Park will soon become a reality.

Thank you to everyone who graciously donates time and energy assisting with various programs throughout the year. A special thanks to the Recreation Committee members who serve above and beyond the call of duty helping to make our community a better place. May you all have a happy, healthy and prosperous 1993.

## REPORT OF THE RINDGE HIGHWAY DEPARTMENT

The 1992 Primary Road projects were as follows:

* Main Street	7,000'
* Lord Brook Road	5,800'
* Goddard Road	4,800'
* Todd Hill Road	3,450'
* Payson Hill Road	2,800'
* Mountain Road	1,800'

Main Street, Todd Hill Road and Goddard Road received portions of in place asphalt recycling. Payson Hill Road, Lord Brook Road and Mountain Road were overlaid with a Hot Top finish coarse.

This year we placed two coarse of Hot Top, total of three inches compacted, on all recycled base. This hopefully will eliminate the center line cracking we have experienced in the past.

We recycled and regraded the parking lot at the Fire Station. This eliminated their parking lot swimming pool. We also overlaid the Transfer Station parking area.

1992 was the year for recycling in Rindge. The recycling program couldn't have been accomplished without your cooperation. THANK YOU!!!

We would like to sincerely thank all who donated their time and materials on our new recycling building.

Labor: Citizens of Rindge

Low bid materials, loaned equipment  
and volunteer contractors were:

West Rindge Builders  
Peck Construction  
VanDyke Construction  
Frame to Finish  
Haskell Construction  
Peter Letourneau Construction  
Joel Olson  
H. W. Aho  
Monadnock Erectors  
Hamshaw Lumber  
A & R Over Head Door  
All-Pro Paints  
Ellis Electrical  
Arthur Whitcomb Inc.

The funds for the building came from the benefits of recycling, and were expended from the operating budget for our solid waste.

Our goal was to reduce the operating budget by \$75,000 in two years. As you can see, the 93 Solid Waste line item budget was reduced \$80,000 for our first year. Not only are we reducing the amount of solid waste from our Transfer Station, we have created a goodwill shop in the recycling building. The items brought in are here to help the public, the needy, any group or organization with a project.

We have already participated in sending clothing and shoes to the camps along the Mexican border and winter coats to the homeless in Boston.

Revenues generated from recycling in 1992 were \$8,622. Of that amount, \$367 was from donations at the goodwill shop. THANK YOU! We shipped eight-eight tons in the recycling roll-off and approximately eighty bales which saved us around 25,000 in landfill fees.

This years recognition program is in two categories for our "Sidewalk Superintendent Award".

The first category goes to Abbie Sheldon for deeding a parcel of her land to the Town. This will allow the Highway Department to straighten the S corners on Robbins Road.

The second category goes to Joan Clifford and Marilynn Vagalebre for the many long hours donated at the Goodwill Shop.

THANK YOU!      THANK YOU!      THANK YOU!

Why do we exist? We exist to serve all people within our jurisdiction with respect, fairness, and compassion. We are committed to the preservation of peace, order, and safety, the enforcement of laws, ordinances, and the safeguarding of constitutional guarantees.

With community services as our foundation, we are driven by goals to enhance the quality of life, investigating problems as well as incidents, seeking solutions and fostering a sense of security in the community and its inhabitants. Perhaps some will think the near future is gloomy and depressing. Others may view it with more optimism. I prefer an optimistic interpretation, because for every problem we encounter in law enforcement, there is an opportunity to grow by developing solutions. I would argue the difficult problems law enforcement experienced in the past decades were the most important factors to our growth as a competent profession. While times may well get tough for us in the years ahead, I expect we will handle the problems encountered with dedication, enthusiasm and of course, our traditional sense of humor. Together, we can make a difference.

From the desk of Animal Control Officer Lawrence T. Harris Jr.,m a sincere THANK YOU to all those who gave of their time, talents, and materials for the construction of the Town Kennel.

## REPORT OF THE INGALLS MEMORIAL LIBRARY

In hard economic times, it is said that people turn to their library to fulfill their needs for a multitude of items. Our video and audiocassette collections are as busy these days as our books and magazines. Even though we don't try and compete with the local video stores, we do have a rather large video collections. We are busting at the seams with many of our collections and hope all of our collections are helping to fulfill your needs.

We are delighted to have some enthusiastic patrons who have rejuvenated our "Friends of the Library" group. We are very lucky to have a slate of officers, Jack Dark, Dana Hastings, Hal Eaton and Sue Wessels, who want to enrich our library and have many wonderful plans for us. Anyone may join this group and can get information from the Library.

Our "Christmas Annual Open House" was well attended and everyone had a wonderful time. We would like to say a special thank you to all our faithful volunteers and to the dedicated trustees that make our library run so smoothly.

Respectively submitted,

Diane Gardenour  
Library Director

INGALLS MEMORIAL LIBRARY  
REPORT OF THE TRUSTEES

Both of our librarians graduated from the N.H. Certification Program in 1992 and the Board of Trustees give them a great deal of appreciation along with the volunteers for the daily operation of our library.

The use of your library has increased steadily over the years through circulation of books, magazines and videos. We now have a listing of large print books as well as "books on tape" for the visually impaired. An Apple computer was donated and is available to those wishing to bone up on their skills. Video and projection equipment has also been made available.

The Library has continually made the Ware collection of stuffed and mounted local birds available for viewing. This collection started in the early 1900's with a gift from Mary Lee Ware, one of our earliest Trustees and benefactors, and is an excellent collection. The meeting room has been available to all types of civic groups from girl scouts to Conservation Commission and has an average utilization of approximately 32 times per month.

## REPORT OF THE HISTORY COMMITTEE

The History Committee continues to gather any information relevant to the Town of Rindge. This information includes history of homes, businesses, factories, mills, families, cemeteries and anything else that may be of interest.

We are still seeking volunteers who would like to spend several hours on interesting projects, we have lots of material to be sorted, filed, transcribed or scanned. If you have some time to spare, we would love to hear from you.

During this year we were saddened to lose Col. David Crocker, who has been a member of the History Committee for many years. He will be missed.

If anyone has any material that may be of interest to us, please let us know, as we can make copies of originals, you do not have to part with letters or documents in order to share them with us. Pictures are another thing that can be duplicated and we would love to have copies of any that had been taken in former days.

Please keep us in mind when looking for a volunteer project.

## REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission (CC) monitors and protects the natural resources of Rindge by reviewing dredge and fill applications and subdivision plans and making suggestions to modify plans so that the projects have less negative impact on the environment. The CC investigates violations and advises the public about rules and regulations pertaining to wetlands.

During 1992 the CC reviewed five Dredge and Fill applications, continued action on three more and visited eight sites due to citizen complaints or inquiry or at the request of town boards, submitted reports to local and state officials and attended board meetings, hearings and workshops.

The CC held the Fall Regional Meeting of Conservation Commissions which was attended by 27 persons representing 12 towns. Jack Calhoun, Executive Director of the NH Lakes Association, spoke on Shoreline and Lake Protection.

The CC sponsored a meeting for Lake and Pond Associations in Rindge which was attended by representatives of 5 organizations and 6 lakes or ponds. An umbrella organization was formed called "R Cola" for Rindge Coalition of Lake Associations".

The CC meets on the 4th Wednesday of each month at 7:00 p.m. at the Ingalls Memorial Library with the public invited to attend.

# REPORT OF THE TOWN MANAGER STUDY COMMITTEE

The Study Committee was authorized at Town Meeting in March of 1992 to study the feasibility of the Town Manager form of government for the Town of Rindge and to make a recommendation to the Selectmen and report to the townspeople at the following Town Meeting.

The following individuals were appointed to serve: Hjalmer Aho, Craig Clark, Maryann Harper, Walter Ketola, Vernon Young, in addition to the Board of Selectmen: Carl Little, Dale Thompson and Redvers White. The committee met initially on April 30, 1992 and discussed the focus of the group. Subsequent meetings included discussion with Jaffrey Town Manager Study Committee members as well as researching various New Hampshire communities to find those of similar population, both with and without a Town Manager, that would be worthwhile investigating.

The Committee developed a tailer-made questionnaire to use as a basis for personal interviews. The Study Committee broke down into pairs to reach as many communities as possible. The following communities were chosen because the committee felt they presented the best opportunity to gather information: (an \* indicates towns with the Town Manager form of government.)

AHO/CLARK	HARPER/YOUNG	KETOLA/THOMPSON	LITTLE/WHITE
*Meredith	*Bow	*Raymond	*Plaistow
*Wolfeboro	*Newport	*Seabrook	
Peterborough	Swanzy	New Ipswich	
		*Winchendon, Ma.	

The committee members submitted written reports on the following communities: Meredith, Wolfeboro, Bow, Newport, Swanzy, Raymond, Seabrook and Winchendon, Ma. Peterborough and New Ipswich were unable to accommodate the interview and Red White talked to "people on the streets" in Plaistow.

It is the finding of this committee that some general traits appeared in those towns with a professional manager such as:

- A. Most communities had maintained a fairly flat budget (town portion).
- B. The hiring of a Town Manager did not result in an increase in staff.
- C. Cooperative relationship existed between Town Manager and Board of Selectmen.
- D. Significant long range planning programs were in place.
- E. Strong interaction between departments/no duplication of services.

- F. Effective personnel policies and management/annual reviews, job descriptions.
- G. Advocacy for the town on State and Federal levels.

While it is true that the Board of Selectmen will become less burdened with the daily town business, this does not distance them from town affairs, but instead allows the time for them to effectively implement town policy. For instance, New Hampshire RSA 37 clearly authorizes the Town Manager in the area of Personnel management, however, the Board of Selectmen retain the ultimate authority over the Town Manager.

The committee has developed a managerial flow chart to illustrate the relationship between the Board of Selectmen, Town Residents, Elected and Appointed Town Officials, Employees and Volunteers and the Town Manager (see chart).

It is the recommendation of this Study Committee that the Town of Rindge could significantly benefit from the services of a professional manager. The efforts of our town employees are well respected by this committee, however the business of operating our town has grown significantly in the last decade as indicated by a budget that is approaching Two Million Dollars. While we all fully value the "small town atmosphere", the committee feels very strongly that the best way to ensure a positive future for our small, but growing community, is with professional management. In the near future, increasing state and federal mandates are only one of many tasks that will require more attention and expertise that a part-time elected Board is able to give.

Thus it is the recommendation of this committee that the Town of Rindge adopt the Town Manager Form of government as outlined in NH RSA 37, and further recommends that upon passage and funding, the town hire an experienced Town Manager with a proven record of success.

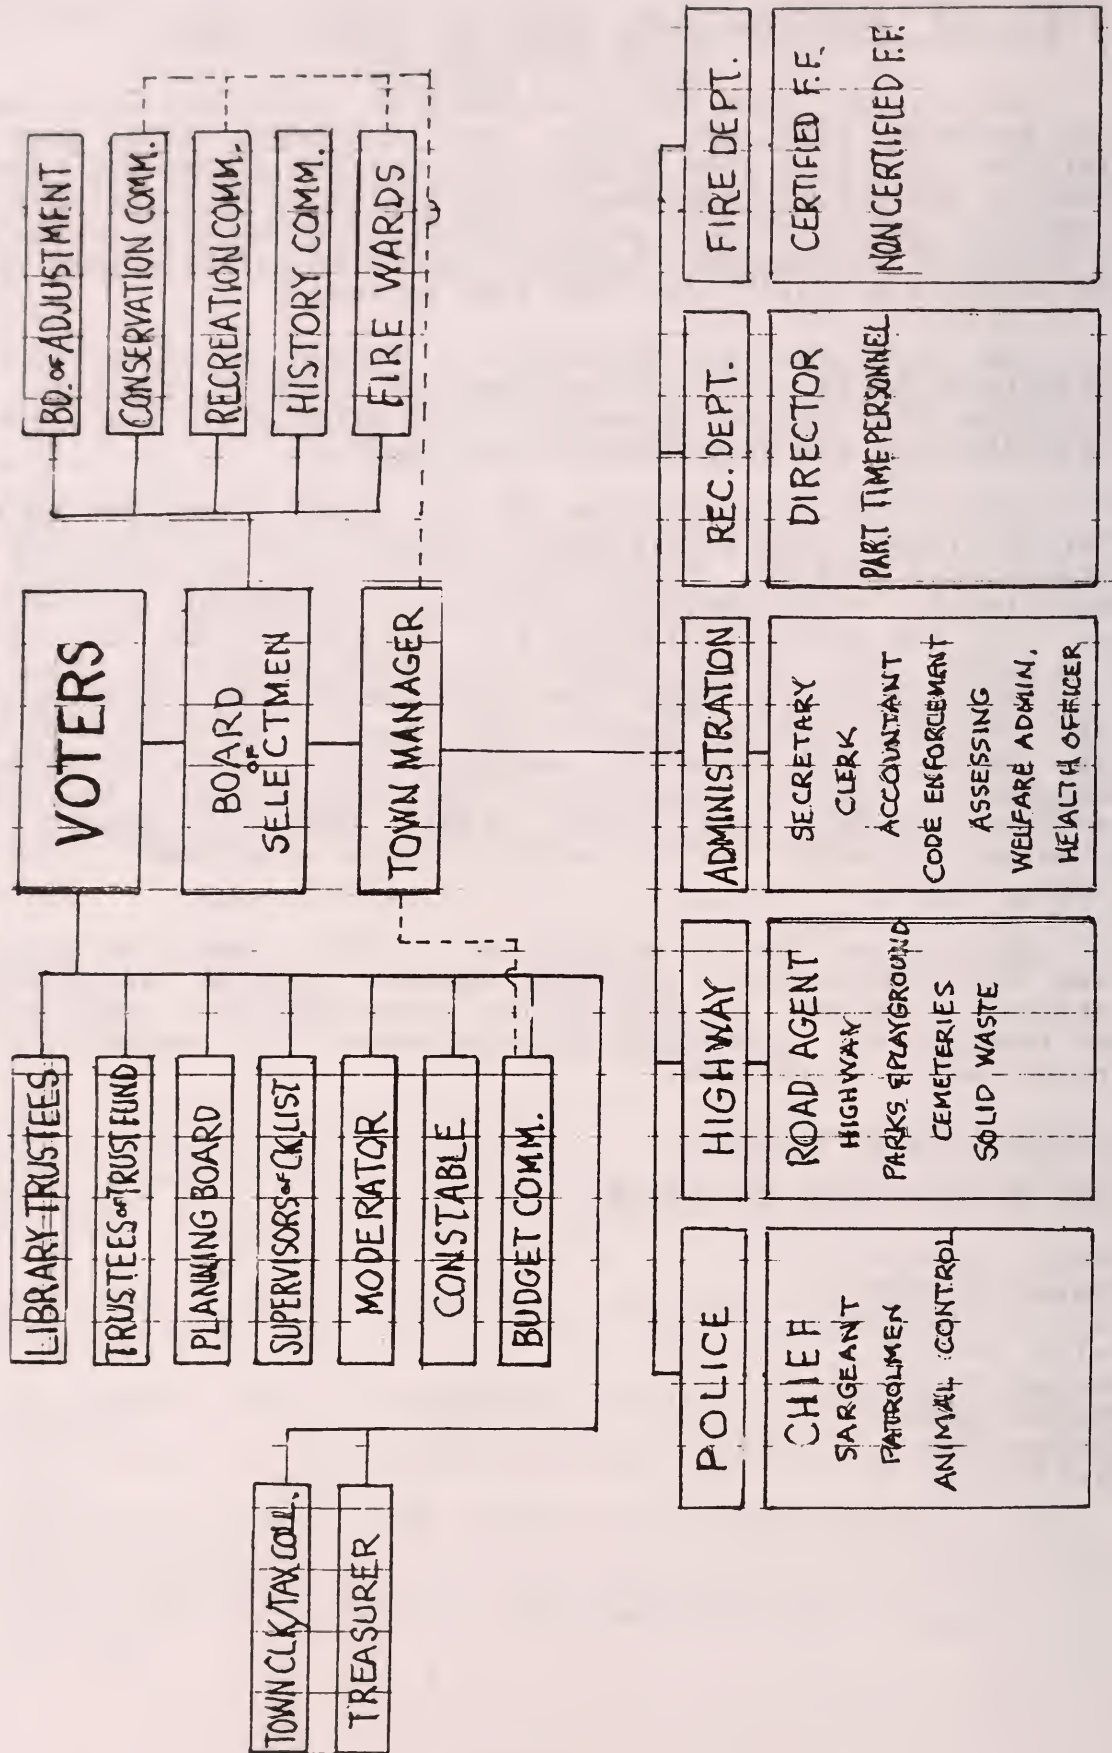

Respectfully submitted,

Town Manager Study Committee

With a growing and expanding community, the Rindge Fire Department saw only a slight increase in activity for the 1992 fire year. Thankfully, Rindge was spared many major incidents such as structure fires down drastically from the nine recorded the previous year. Unfortunately, our neighbors in the surrounding communities did not fare as well. The Rindge Fire Department responded to 19 major calls for Mutual Aid. We firmly believe that the increase in inspection procedures contributed to the decrease of major fire incidents.

As the demands of our community increase in proportion to our growing population, the demand for highly skilled professional firefighters increase. This year the Rindge Fire Department scheduled 84 specialized training sessions dealing with such items as firefighting, medical, and inspection procedures, including several training sessions with Mutual Aid departments. This does not include participation in training conferences and seminars offered by outside agencies such as the Meadowood County Area Fire School, The National Fire Academy in Emmitsburg, Md., The N.H. Association of Fire Chiefs, and the Mass. Fire Academy. Because of all the generous community support, these schools were also made available to members of our department.

1992 saw major growth and rebuilding in the Fire Department. We have increased our manpower by 61% reflecting an increase of the EMS Responders, three state instructors, and two Level One firefighters. We have replaced our obsolete base radio with a 110 watt multi-channel state-of-the-art base station and upgraded our mobile radio in the rescue vehicle. We are in the process of automating our department records as per state guidelines. We have instituted a vehicle preventative maintenance program for all our fire apparatus and through the Capital Reserve, instituted a program to replace excessively worn firefighting equipment.

In the medical area, all members of the department have had the opportunity to receive Hepatitis B vaccinations as mandated. A new medical training program has been developed in conjunction with the Jaffrey VFW Ambulance Service to allow all medical personnel in both towns to train together as a unit.

Not all the changes have been internal. The fire station received a new look thanks to the paving efforts of Peter Anderson and the members of the Town Highway Department.

We wish to thank the members of the community who have always supported our department, the Board of Selectmen for their patience and guidance, all of the town departments for their assistance, but, most of all, we wish to dedicate this town report to the men and women of the Rindge Fire Department for all their time and loyalty to the Town of Rindge, for without that, this report would not be possible.

# MONADNOCK FAMILY SERVICES

*An organization of caring professionals*

47 North Street  
Jaffrey, NH 03452  
532-4291

## Summary of Services Provided from July 1, 1991 thru June 30, 1992 to Rindge Residents

\* It is our goal to maintain quality services to residents of our catchment area, and to provide for the identified counseling needs of the community.

\* Monadnock Family Services provides a full range of treatment for individuals who need counseling or who are experiencing a mental disorder. There are no restrictions based on diagnosis or age, and we continue to offer services to clients with little to no income. The Peterborough District Office is open five days and three nights a week. The Jaffrey District Office is now open four days and two evenings each week.

\* Based in our Keene Office, we provide 24 hour Emergency Services 7 days a week, 365 days a year. As a part of that coverage, Mobile Crisis staff also provide services to the Monadnock Community Hospital emergency room, and to patients admitted to the medical units upon a physician's request. This year our Mobile Emergency Services served 611 individuals.

\* Through our Keene office, we offer services to clients who meet Department of Mental Health guidelines, that are partially supported by states funds. In addition to Mobile Emergency Services these include: Psychiatric Assessment and Medication Treatment, Client Service Management, Residential and Vocational Services, Continuous Treatment Team, and the New Beginnings Clubhouse.

\* Last year the Monadnock Family Services served over 1906 individuals. Of those 655 were under the age of 19 and 156 were over the age of 59. This figure is reflective of open cases and does not contain those individuals who may have been seen as adjunct members of treatment (i.e., family members, school personnel, legal or other sources of referral).

\* This past fiscal year, Monadnock Family Services provided to Rindge residents,

- 693 hours of direct treatment to
- 22 residents under the age of 18 and
- 32 residents 19 and older.

\* Primary referral sources were self and friend referred, physicians, social service agencies, schools, and the legal system.

\* MFS Adult Care Center was open over 900 hours in 1992, with an average daily attendance of approximately 15 clients. We provided over 13,500 hours of service to elderly residents and their families. Many of the clients in the program have Alzheimer's Disease or related illnesses due to aging.

\* The dollar amount requested from Rindge to help us continue offering these services, is arrived at by multiplying the 1990 Census Bureau population figure by \$1.00. This per capita amount represents no increase for last three years. The amount we are requesting is \$4,906.

THE PLANNING BOARD WILL FORM A CIP COMMITTEE COMPRISED OF TOWN OFFICIALS AND APPOINTED TOWNSPEOPLE, TO PREPARE THIS PLAN AND BUDGET OF LONG RANGE CAPITAL PROJECTS. INTERVENING YEARS. THE CIP WILL BECOME A SEVEN (7) YEAR ROLLING CAPITAL IMPROVEMENTS PLAN. (SUBMITTED BY THE PLANNING BOARD)

Article 10: Presented by Carl Little, a motion, seconded was made to accept this article as written. Explained as an organizational article only, not a money article, Mr. Little deferred to the Planning Board Chairman, Paul Susca, for further discussion. The article PASSED.

ARTICLE 11: TO SEE IF THE TOWN WILL VOTE TO AUTHORIZE THE PLANNING BOARD, PURSUANT TO THE PROVISIONS OF RSA 674:43, TO REVIEW AND APPROVE OR DISAPPROVE SITE PLANS FOR THE DEVELOPMENT OR CHANGE OR EXPANSION OF USE OF TRACTS FOR NONRESIDENTIAL USES OR FOR MULTI-FAMILY DWELLING UNITS, WHICH ARE DEFINED AS ANY STRUCTURES CONTAINING MORE THAN TWO DWELLING UNITS, WHETHER OR NOT SUCH DEVELOPMENT INCLUDES A SUBDIVISION OR RESUBDIVISION OF THE SITE; AND TO FURTHER AUTHORIZE THE PLANNING BOARD TO DELEGATE ITS SITE REVIEW POWERS AND DUTIES IN REGARD TO MONITOR SITE PLANS TO A COMMITTEE OF TECHNICAL QUALIFIED ADMINISTRATORS CHOSEN BY THE PLANNING BOARD FROM THE DEPARTMENTS OF PUBLIC WORKS, ENGINEERING, COMMUNITY DEVELOPMENT, PLANNING, OR OTHER SIMILAR DEPARTMENTS IN THE TOWN. Article 11: Presented by Redvers White, a motion, seconded was made to accept this article as written. Mr White deferred to Planning Board Chairman, Paul Susca who explained that the Planning Board had already been given authority described in this article by prior years Town Meeting actions, but inclusion of the article had been recommended by Town Counsel specifically for the purpose of recording the Certificate of Notice of such action with the Registry of Deeds. This will prevent challenge of the Planning Board action by adopting the most recently amended legislation regarding the extent of their authority. This article, quoted directly from the N. H. Statutes PASSED.

ARTICLE 12: TO SEE IF THE TOWN WILL VOTE TO CREATE A TOWN MANAGER STUDY COMMITTEE TO RESEARCH THE NECESSITY AND FEASIBILITY OF HIRING A TOWN MANAGER, AND TO FURTHER MAKE RECOMMENDATIONS REGARDING THE HIRING OF A TOWN MANAGER TO THE SELECTMEN BY DECEMBER 1, 1992, AND TO REPORT TO THE TOWNSPEOPLE OF RINDGE AT THE 1993 TOWN MEETING. THE COMMITTEE WOULD CONSIST OF FIVE (5) PEOPLE TO BE APPOINTED BY THE SELECTMEN, PLUS THE BOARD OF SELECTMEN. (SUBMITTED BY THE SELECTMEN)

Article 12: Presented by Carl Little, a motion, seconded was made to accept this article as written. Explaining that we have reached a point in our growth where we need full-time

management of a \$1.6 million budget, not a part-time Board of Selectmen, Mr. Little deferred to any former selectmen to re-emphasize his point. Former Selectmen Dale Thompson spoke in favor of forming a study committee so that we would be in a position to know what we will need in the future. Some discussion in opposition to hiring a manager was clarified by stating that this is for a feasibility study only. Former Selectman Maryann Harper replied that this is a reappearance of an article passed in 1988 which recommended against hiring a manager, however times change and it was time to look into this again. Voice vote being close, the Moderator called for a standing vote... YES 141 NO 63  
The article PASSED.

ARTICLE 13: TO SEE IF THE TOWN WILL VOTE TO APPROPRIATE AND AUTHORIZE THE WITHDRAWAL FROM THE CAPITAL RESERVE FUND ESTABLISHED FOR THIS PURPOSE (POLICE CRUISER) UP TO BUT NOT EXCEEDING FIFTEEN THOUSAND DOLLARS (\$15,000.00) FOR THE PURCHASE OF A POLICE CRUISER. (SUBMITTED BY THE POLICE DEPARTMENT)

Article 13: Presented by Michael Whitney, a motion seconded was made to accept this article as written. Voice vote called for a standing vote, which when taken was declared passed by the Moderator with affirmative vote total of 173. The article PASSED.

ARTICLE 14: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF TWENTY FIVE THOUSAND DOLLARS (\$25,000.00) TO FOR THE PURPOSE OF REPLACING THE ROOF OF THE FIRE DEPARTMENT BUILDING, OR TAKE ANY OTHER ACTION THERETO. (SUBMITTED BY THE FIRE DEPARTMENT)

Article 14: Presented by Carl Whitney a motion was made to PASS OVER and TAKE NO ACTION on this article as a result of discussions between the Fire Department and the Budget Committee to study the situation before making any repairs.

ARTICLE 15: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF TWENTY FIVE THOUSAND DOLLARS (\$25,000.00) TO BE PLACED IN THE CAPITAL RESERVE FUND FOR FIRE EQUIPMENT. (SUBMITTED BY THE SELECTMEN)

Article 15: This article, which replaces and clarifies Article 14, was presented by Redvers White with a motion, seconded to accept the article as printed. Mr. White turned discussion over to Budget Committee Chairman John Hunt whose motion, seconded to amend this article to read " TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF TWENTY FIVE THOUSAND DOLLARS (\$25,000.00) TO BE PLACED IN A CAPITAL RESERVE FUND FOR THE FIRE DEPARTMENT BUILDING" passed. Concern over new code requirements, specifically the Federal Public Disabilities Act, prompted this article which would appropriate funds to be held for repairs to the building in addition to those which may be required by the Federal Government. The article PASSED as amended.
